# Their Shy Submissive (Pleasure Island Book 3)

## Synopsis

Yvette Pfeifer is bemoaning her fate as the submissive no one wants. She left her family and friends in Florida to work as a receptionist on the exclusive resort Pleasure Island. There, her deepest hope is that she will find a Dom who will claim her and make her his. Her only problem is her crippling social anxiety; an affliction which makes it hard for her to attend any club or events. From the moment Deke Estevez and Shep Jackson began working on Pleasure Island as catamaran captains, ferrying guests and supplies to and from Nassau, they have craved the shy, sweet, voluptuous beauty, Yvette. When she agrees to a scene with them one evening after having been stood up at the club, the trio experiences a night of hedonistic pleasure like no other. Deke and Shep know that Yvette is the woman they've always wanted, but they both have past demons which threaten to destroy their budding relationship before it's even really begun. Can they convince Yvette to be their submissive – not just the night, but for forever? Publisher's Note: This a short and sexy novella is part of Anya Summers' bestselling Pleasure Island series and takes place at the same time as the first book. While we do recommend reading all the titles, it can be enjoyed as a standalone.

## Customer Reviews

The Pleasure Island series is a spinoff from the Dungeon Fantasy Club and is the creation of Jared McTavish. Pleasure Island is a private island about an hour from Nassau. Some of the people in the story will be from previous stories but will read as a standalone book. Yvette Pfeifer has been employed at Pleasure Island for about three months. She takes care of the front desk, handling issues with guest, making schedules, taking phone calls. When it comes to her job, she is outgoing and appears to be an extrovert. When it comes to her personal life, she is the complete opposite, withdrawn, shy, and suffers social anxiety. Her one dream is to have a D/s relationship. It was her deepest, darkest fantasy to be in a ménage relationship. Deke and Shep both handle running guest and supplies on their catamarans between Pleasure Island and Nassau. They have been friends for years, and both enjoy topping a sub together and have their eye on Yvette. The problem is, in the three months she has been on the island, she has never made herself available. What a pleasant surprise to go into the BDSM club on the island and she is wearing her employee cuffs. They see this as their perfect opportunity and take advantage of it. The plot will have Deke Shep, and Yvette scening together at the club, and then they take her back to one of the boats for the night. Where Shep was the violent storm of desire, Deke was the calm and sunshine after. They complemented each other. What happens when she wakes up, and then slips out of bed and away from her men? Yvette comes with baggage leftover from a poor Dom who was great with verbal abuse, having affected her self-esteem. Deke and Shep have their own baggage, but something that together they have been able to tackle and keep above water. The story will show that we are all human, all prone to mistakes, all needing forgiveness. One mishap will cause much pain for these three, but can they forgive and move forward or will this end their relationship? The story has explicit sex scenes including several ménage scenes.

Selfish, aren't I? Don't know how well I would do in the real world, but I sure like to read about them! This story I could totally relate to.....with her shyness because people are so fast to put someone down over any little thing. Those of us with low self esteem already beat ourselves up enough. I digress, the book is just yummy and I love how the 3 of them work everything out. The sex is on fire and the ending is terrific. I'm happy.

Yvette has always wanted to have a Dom love her the way she's dreamed about - when Deke and

Shep make a move she's in heaven but not knowing their intent she leaves which leads to her being punished - which leads to a blow up the following morning. This leads to secrets that all three carry with them and will need to be worked out before they can move forward. Loved how they come together in the end.

This quick but totally hot read is about Yvette, Deke and Shep. I loved this menage, they were all perfect for each other if only all of them didn't have their personal demons to fight. I will say, the sex was hot and plentiful but that last scene was out of the park!! I have read all of the Pleasure Island books so far and each one gets better and better, I can't wait for the next one!

I loved this novelette also. Thank you so much for all of your great books . Can't wait for the next book in this series. Every single book in the Paradise island series is so far fantastic in every way, characters, loving and their stories in general are all wonderful.

Loved this book. The Pleasure Island books are good reads. They are an off shoot of the Dungeon Fantasy Club books. If you like BDSM, these are the books for you.

I loved the way Anya Summers brought the characters together. The story was equal parts true love and hot sex.

Can't stop reading all her books! Erotic. And yummy. Keep writing on this series..
