30 Christmas Carols With Sheet Music And Fingering For Tin Whistle (Whistle For Kids) (Volume 1)

Synopsis

30 traditional Christmas Carols with sheet music and fingering diagrams for Irish tin whistle. Simple, easy-to-follow arrangements of classic songs that kids will love.Without any prior musical knowledge, you can immediately start playing your first tunes.   The tin whistle (sometimes called pennywhistle or simply whistle) is a small 6-holed flute, that in its present form dates from the 19th century. Because of its affordable price and ease of use it is the most common folk instrument in Ireland, and is often the instrument of choice for beginners and children. The tunes in this book, and in the other books of the collection, were chosen and arranged to allow even an absolute beginner to start playing straight away, without any technical knowledge of sheet music or musical theory. Fingering tablatures are provided with every tune; an accompanying audio CD of the tunes in the book is also available, and is even recommended to favour learning by ear. My only complaint is that this book is a bit small. I mean the dimensions of the book are something like 7"x9" or so. The problem with that is that the text is small and it is hard to get it to stay open. Other than that, I like it.

My daughter has embraced her tin whistle now that she has this book! Great inspiration for reluctant tin whistlers!

Great songs! They seem to be converted very well to tin whistle annotations so following them is very easy.

Book was delivered in perfect shape and has very clear fingering charts for beginning whistle players.

Exactly as stated in ad. Wish it could lay flat to make reading while playing easier

A great book for teaching yourself 10 whistle. Bought it for my nine-year-old for Christmas. I use it as much as he does!

Very well packaged and fully satisfied with purchase

Easy to follow. Includes all the classic Christmas songs
