Synopsis

Do You Love a Real Authentic Crumbly Delicious Apple Pie on a Summerâ™s Day?Or Maybe Mouth-Watering Country Bread, So Soft and Palatable, That Literally Melts in Your Mouth!The Amish are a fascinating part of American History and have been around for centuries locked in a world of ancient traditions. From the minute, they wake up to the minute they go to sleep they live a pure existence where every part of their day becomes a perfective art. This cannot be more stated than in their cooking that is the backbone of their way of life. It brings families and friends together from the community, so you bet their food is absolutely delicious!I am a Chef with 25 years of experience working with cuisine from around the country. Even with all the experience with foods from around the globe, Amish Food has always fascinated me, so much so, that I decided to study their cuisine. I dug deep into simple recipes and examined what makes them so delicious. I got tips from wives and grandmothers and some even revealed their SECRET Recipes. I believe the best part of Amish food is the baking and thatâ™s why I chose to write this recipe book to expand the knowledge of traditional Amish Baking. I also included a few of my own creations with more modern ingredients such as banana bread with Amish inspiration. But all in all, most of the recipes are the true blue traditional Amish recipes from yesteryears. â†“ â†“ â†“ â†“ If You Are Ready to Eat The Most Delicious Authentic Amish Baked Goods Today, Scroll Up And Click The Buy Button Now!

Customer Reviews

Very nice cookbook. I have always wanted an Amish cookbook so now I have one. I have tried a few recipes and they were very good. The recipes are very easy to follow and most ingredients I have on hand. Highly recommend this cookbook to those who love to cook like I do.

This book keeps it simple just like the Amish do! It wastes no time getting right into the recipes. It has a wide variety of desserts and it includes one of my favorites vanilla pudding! The step by step instructions are easy to follow as well, definitely a good pick up if you want to cook like the Amish!

When I found this book, I immediately jumped to the Friendship Muffins and I absolutely loved them! Great recipes with easy to follow directions. Christian Brouhard does an excellent job of introducing Amish Baking, I highly recommend it!

Excelent! Have been using it and getting good results. This book introduces simple, well thought out instructions for delicious, favorite old fashion home baked recipes. This is the kind of cooking and baking that I enjoy. Plus, it makes my family happy. I highly recommend it.

I live in Pennsylvania and have tasted the Pennsylvania Dutch dishes. These recipes come very close to the ones I've had and enjoy making! Highly recommended
