Sound Innovations For String Orchestra: Sound Development (Intermediate) For Violin: Warm Up Exercises For Tone And Technique For Intermediate String Orchestra (Sound Innovations Series For Strings)

Synopsis

Sound Innovations: Sound Development emphasizes playing with a characteristic beautiful sound. The components of producing this sound are broken into four levels, consistent with the revolutionary Sound Innovations structure: (1) Sound Tone, (2) Sound Bowings, (3) Sound Shifting, and (4) Sound Scales, Arpeggios, Chorales, and Rhythms. The levels can be used in the order that is best for your students, as individual warm-ups or as structured units. Your students will learn the proper use of the bow with the variables of tone, the next group of bowings needed for intermediate repertoire, and how to shift and play with vibrato. These skills will be reinforced with comprehensive scales, arpeggios, sight-reading materials, rhythm exercises, and warm-up chorales.

Customer Reviews

Wonderful product

Excellent transaction. Product works as advertised.

Great violin book. This is what the schools use in Colorado

I love this series for violin, it is very well organized, has a good progression of skills, much better than the Essential Elements series.

fast . These are so great! Awesome product! Works perfectly for leveling and trimming cakes! my brother like it , would purchase again.
