The story of Palm Sunday for children ages 4 and under; small enough to fit in an Easter basket. The donkey is so proud to be chosen to carry Jesus into Jerusalem. This board book tells the story of Palm Sunday from the donkey's point of view. Jesus spoke and taught them / Two things that they should do: / "Love the Lord, our Father, / And love your neighbors, too."

Very sweet story, cute illustrations, important message, and durable make!

This book is tiny- 25-50% smaller than most board books. It feels cheap and small. Content wise, it

is ok. I think it has a nice story, but the illustrations are so so and the main thing is that my 2 year old isn't interested in it. I wish she liked it more.

Adorable board book from the sweet donkey's point of view.

Sweet read to introduce Palm Sunday to toddlers. Add stuffed donkey for great gift for that time of year and allows interaction.

Love this Easter story! So sweet, just what I was looking for to introduce my granddaughters to this very special season.

This was purchased for our pre-school class. The book was just as described and arrived very quickly. Thank You!

I bought this cute little book as a first Easter gift for my daughter. The story is very simple and cute without being too heavy handed with the religion. It ends with an emphasis on being kind with each other, making it perfect for very young children. The pictures are very cute and cartoon-y with lots of pastel colors. The board book construction is perfect for kids who are teething. We'll definitely be taking this book out again for Easter this year.

great item, fast shipping
