Materials And Procedures For Today's Dental Assistant

Synopsis

This innovative and easy-to-use book provides you with the information necessary to build an exciting career as a Dental Assistant. Inside, you'll find numerous learning aids such as boldfaced key terms, critical thinking questions, highlighted "Did You Know?" sections that point out important information, and "Practice Makes Perfect" skill sheets, which provide step-by-step guidance for you to effectively perform the procedures presented in the book. Whether you are looking to hone your skills or are just learning about the field, *Materials and Procedures for Today's Dental Assistant* will give you the knowledge you need to be a successful Dental Assistant.
