This is my teenager's history text book. It is a large, heavy volume so we purchased it to keep at home. He wasn't doing his homework because the book didn't fit in his backpack with all his binders and other text books. Purchasing the extra book at a very reasonable price nipped that problem in the bud! No more excuses...

Very nice item with quick shipping. Thank you!

Good condition for a used book. It's great to have the student's textbooks at home so there's less to lug back and forth to school and less to forget.

I purchased this book as a lost replacement for my high school student. it was in almost new

condition. We were very happy.

great shape for the price.
