Best Sellers Rank: #1,096,263 in Books (See Top 100 in Books) #68 in Books > Travel > Canada > Provinces > Quebec #2008 in Books > Travel > Specialty Travel > Tourist Destinations & Museums

Customer Reviews

Praise for a previous editionâ œObviously fond of the great outdoors, the Fletchers take you off the highways and onto the Â Â back roads . . . where nice surprises await the unsuspecting traveler!â "Jane Sadler, Ottawa Life Magazine

Tired of the same old tourist traps? Whether youâ ™re a visitor or a local looking for something different, let QuÃ©bec Off the Beaten Path show you la belle provinceâ "the beautiful provinceâ "you never knew existed. Cheer on canines and human mushers in the annual dogsled race during Winter Carnival; sleep in a bedroom made of snow and ice in the Ice Hotel; or ride the rapids of the Ottawa River on a whitewater rafting trip. So if youâ ™ve â œbeen there, done thatâ • one too many times, get off the main road and venture Off the Beaten Path.

I thought I would discover some truly cool places in the book, but it's essentially a rambling disjointed account of some of the author's private day trips or brief vacations -- written with the skill of a high school sophomore. Lots of fluff. You would be better served with a Lonely Planet or Moon

Guide coupled with some TripAdvisor searches.

This is a useless guidebook. It's just one resident's rambling comments about his own home area and provides no orientation nor tips for the traveler.

The descriptions of places and hotels and restaurants are so generic and superficial that I would not trust any of them. The authors convey very little sense of place and talk about themselves far too much.

Lots of good subjective info, but written in a narrative style with inadequate indexing to find specific town or region info quickly. Little info provided on climate by time of year to help a first time traveler.

I loved this book-I read it the whole way through! Fun to read and filled with great ideas that were not included in my other guidebook. This is filled with great itineraries and ideas for different places to go--great for planning day trips and outings from cities. This book has some restaurant and hotel recommendations, but very limited--it's more of a "What do I do when I get there?" kind of a book.
