World At War, 1944 (Magic Tree House (R) Super Edition)

Synopsis

The first Magic Tree House® Super Edition™ and Jack and Annie's most dangerous mission ever in the scariest time the world has ever known™ World War II. With a longer story and additional facts and photographs, this is a thrilling adventure no reader will want to miss! When the magic tree house takes Jack and Annie back to World War II, Europe is in trouble! It is June 1944 and the brother-and-sister team must go behind enemy lines and crack a code that could save a lot of lives. But this is war, and Jack and Annie might just be in the wrong place at the wrong time. Can they save everyone before the great battle of D-Day begins? They don't know, but they have to try! Previously published in hardcover as Magic Tree House Super Edition #1: Danger in the Darkest Hour. Have more fun with Jack and Annie on the Magic Tree House® website at MagicTreeHouse.com. Did you know there's a Magic Tree House book for every reader? Find the perfect book for you: Magic Tree House® Classics: Adventures with Jack and Annie, perfect for readers who are just starting to read chapter books. F&P Level M. Customer Reviews

"The longer format lends itself to the complex subject matter, and the cheer and humor with which Jack and Annie face obstacles, along with their thoughtful contemplation of what they have learned, prevent the story from being too scary for its audience. Fans of the series will be delighted."

MARY POPE OSBORNE is the author of the New York Times number one bestselling Magic Tree House® series as well as coauthor of the Magic Tree House Fact Tracker series, along with her husband, Will, and her sister, Natalie Pope Boyce. SAL MURDOCCA has illustrated more than 200 children's trade books and textbooks. He is also a librettist for children's opera, a video artist, an avid runner, a hiker, a bicyclist, and a teacher of children's illustration at the Parsons School of Design. Sal lives and works in New York with his wife, Nancy.

Good Magic Tree House book! It seemed slightly more mature than the main series. There were less pictures and the subject was more complex.

good history book for kids

This series is one of our boys favorites. Mary Osborne is brilliant!

My son (2nd grader) loves Magic Tree house books. Brings them from school library, and asks for additional ones, including this one. He loved it.

Our 7yr old nephew loves these books

great book it is next generation. my son is 10 and loves this well written as all the tre house books are I would recommend this book to anyone over 9

I liked the story "danger in the darkest hour", and I'm a bit irritated that this is the same book. Same

book different title. My son loved all of the books in the series and I am pretty disappointed that they just re released it under a different name...I feel it was dishonest of them.

This is the same book as Danger in the Darkest Hour. It has been republished with a new title. It was a great book and my son really enjoyed it, but I just wanted to let people know this isn't a new story, but rather a 2 year old book with a new name.
