French Legends, Tales And Fairy Stories (Oxford Myths And Legends)

Synopsis

France is full of folk tales and fairy stories. From the last stand of the knights, Roland and Oliver, through the legend of how the great stones of Britanny came into being, and on to the fairy story of the Mouse-Princess, there is something here for everyone. Tales of the French epic heroes, courtly tales from the middle ages, and various legends from the French provinces are retold by a distinguished storyteller.

Great seller. Good antique book, which is one of the things I love about it. Well written and easy to read.

This is a great book for young adults and even older people who want a easy to read understanding of the old French legends. One of my favorites since high school.
