We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Easy to play if you are an intermediate player.

good songs

Very good book filled with classic hymns. This book might be beyond the skills of an absolute novice, but in general there is something for everyone. With a little bit of work, these gospel favorites can be your go to sounds for sunday socials.

Just as expected! Great service and a great product!

good for beginning to intermediate level

Good book, a little easy but good songs, and fun to play. Would be better with CD but a great value.

I like this book. Some of the pieces are easy to play while others may need a bit more practise time. Arrangments are simple enough. It would be good if Hal Leonard could enclose a CD of the music.

Good gospel music to fingerpicking. Tab is easy to follow and the book great for a beginner. I'm very pleased.
