# Martha's Story: A Sweet Amish Love Journey (Wilkes County Amish Romance Series Book 1)

## Synopsis

Martha was raised in an Amish Community in Ohio and had a happy family life until Esther, her sister, left the community to marry an English man. She sorely missed her sister who was now shunned from the community. Martha began to spend time with an Amish man, Samuel,, a widower who was seeking a wife. But, Martha continued to be haunted about her sister and became torn between the English and Amish worlds. Martha became friends with an English man and saw qualities he had that she deeply appreciated. Martha's story shows her journey of faith, struggles with making difficult choices and insights into the meaning of family and love. The beauty of both the Amish and English worlds are revealed to her. Read about how she finds love and a happy ending in the face of her dilemma. This is a sweet, wholesome novella appropriate for all ages and the first in the series of the Wilkes County Amish. Each is a standalone novella and Free for Kindle Unlimited.

## Customer Reviews

Not your typical amish romance, it is much more interesting than that. Martha must go against her

religious rules to help her sister. She risks a lot to do what she feels she must. She learns things are not as she was told. She goes through a change in the way she thinks and tries to accept her fate, but does she. I really liked this book and recommend it highly.

The sign of an excellent author is the emotion she creates for her readers to feel. I did not like Samuel in the beginning, but I really felt for him in the end. I hope he gets a book for his story and a happy ever after. The heroine in this book went through a rough time over and over which made her stronger in her faith, her love, and her ability to make a major change in her life. I have read a ton of Amish stories. I slightly got the idea that the Amish did not trust people from the outside world. This was the first book that I felt hate from the Amish people, most of us are religious people who work hard, love the Lord, each other, would not cheat, and care for others. Maybe the family acted that way because they only see the bad and that daughters left to join the outside world. I have always admired the Amish people and how they live. Maybe if an Amish person reads this review they would explain it in their review. Rose Jester is a good story teller with a great storyline. I found some grammar errors but that is okay. Make sure you take time to read this book you will enjoy it and be enlightened on some issues.

Good book, Rose Jenster did a wonderful job writing her first Amish book. I can't wait for her next one!!

A very entertaining book. I would recommend this book.

I very much enjoyed reading this book
