Drawing: Faces & Features: Learn To Draw Step By Step (How To Draw & Paint)

Synopsis

Successfully drawing the human face is one of the most challenging yet rewarding artistic experiences. In this step-by-step book, Debra Kauffman Yaun invites you into her artistic world as she shows you how to draw a variety of portraits in pencil. She shares her personal methods for rendering the human face in all its expressiveness as she introduces tips and techniques for approaching babies, children, teenagers, and adults of all ages. The book includes in-depth information on specific facial features as well as detailed, step-by-step exercises that explore ways to develop complete portraits. And the wealth of beautiful, inspiring examples ensure that *Faces & Features* will be a welcome addition to any artist's drawing reference library.

Debra Kauffman Yaun discovered that she had a knack for drawing people when she was a young girl growing up in Tampa, Florida. After graduating from the Ringling School of Art and Design in Sarasota, Florida, Debra worked as a fashion illustrator. She has drawn and painted many commissioned portraits, several of which have been of children--her favorite subject to draw. Debra's artwork has been published in several art magazines and books, and she has won numerous awards, including an international award. She is a signature member of the Colored Pencil Society of America, having served as president of the Atlanta chapter, and she is a juried member of the Portrait Society of Atlanta. She also enjoys teaching classes and workshops in

portraits and colored pencil. www.debrayaun.com

This book is really great because it shows all the things you need to know to draw a realistic face it came just on time and in perfect condition I highly recommend this book if you're not that good at drawing like me it will help you become a better artist

I have enjoyed this book immensely. I recently began painting. One of the areas I need to learn and practice is drawing realistic human faces. The author's diagrams and words are easy to understand. I've been a doodler all my life but could only draw faces that look like cartoons. With the help of this book, I've been able to draw realistic pictures. Thank you Debra Kaufman Yaun. I'm very grateful.

My teenage daughter is learning to draw and this book has been so helpful. A really great beginner book. We saw it first at Michaels and found it cheaper on , so bought it here. Thanks .

Excellent for a beginner artist. Easy to understand, not too complicated, yet covers all aspects of the face. Bought as a gift for a new artist and already she's progressed at an amazing speed thanks, in part, to this little book.

I am enjoying learning to draw! I like this book...very thought provoking

Great book on drawing faces

Good info. I really like it

Beautifull book--haven't looked good at it just got it yesterday--wish it were a little more pages, but it's large and pretty.
