Sean Fay Wolfe was sixteen years old when he finished the first book of the Elementia Chronicles in

2013. He is a Minecraft player and an author of action-adventure tales. Sean is an Eagle Scout in the Boy Scouts of America, a five-time all-state musician, a second-degree Black Belt in Shidokan karate, and has created many popular online games in the Scratch programming environment. He goes to school and lives in Rhode Island with his mother, father, two brothers, three cats, and a little white dog named Lucky.

My kids are crazy for Minecraft and after Sean Fay Wolfe came to my 11 year old son's school he was very interested in reading these books. My 11 year old son is not a big fan of reading. It's a constant battle and since the schools have made reading a part of the grading rubric, it's a mandatory activity. This is the first book since my son was very little he has actually asked to buy and read from beginning to end in 3 days. In my son's words the book is about a mysterious figure entering the Minecraft game. There is a secret alliance that is taking energy off of other servers in the game. A group of people have to stop the secret alliance. I am pleased my son was enjoying reading and he met his accelerated reader goal! I purchased this book at full price. Each rating I give for each product I receive is always 100% honest and based solely on my own use (or family member's) and experiences with them. Based on my history of reviews you will see that I am not afraid to rate a product as "poor" based on a bad performance, bad quality, or even not performing as expected. Thank you!

Hi I am Catherine Catterton. I am 13 years old and have read all your books. I have a few ideas to share with you. I was thinking about a new villain for a new book. The villain would be stuck in a mirror. The mirror breaks during the fight Stan and Lord Tenebris had. The villain escapes into a different server to hide to make sure he doesn't get trapped into the mirror again. He was in a group of players in knights skins and was banished because he tried to take over all servers with his powers. The villain is trying to take over the servers again and he's going to make sure no one gets in his way. G and Kat find each other and they got back together. The villain falls in love with Kat, G finds information about him and gets in contact with Sally. Hoping Sally can pass the message to Stan. It's up to Stan to find his old friends that were banished from the server, and work together to stop him and the ELM.

I bought this for my nephew who's 12. I'm assuming since he's almost done with it he loves it! I would rather see him reading than playing video games all day!

I enjoyed all of the Elementia Chronicles, but I enjoyed the 3rd book the most. It was sad at times when _____ died. I was happy also when Stan put two cities instead of just killing off the Noctem Alliance, peace is the answer, and Stan provided it. I love the books, and heard that Sean Fay Wolfe was going to make another book and another series. Everyone that liked the books, you guys and gals may get some more of the Sean Wolfe magic. This is a great book for the boy that doesn't want to read! My son read the first book and then asked me to buy the rest! He read all of them in about a month.

My 10 year old loves these books! Very engaging, fun plots, and keep him reading!

It is a fantastic book! It has a storyline that makes you feel like your actually there. It is one of those rare books that you feel like you can chang the story and run through different scenarios in your mind.

Great book. My eight year old loved it.
