Light Therapy: Teach Me Everything I Need To Know About Light Therapy In 30 Minutes

Synopsis

Are you suffering from seasonal affective disorder? There are a lot of ways you can treat it, and one of the most effective ones has to be light therapy. In this book we will teach you the different ways by which you can make the most out of light therapy. Light therapy is the science that is going to help you improve your condition by merely applying the right principles. There are various ways of doing so, and in this book we will familiarize you with different methods of implementing light therapy. Why should you listen to this book? All those who are wondering why they need to listen to this book need to know the following things: Light therapy is one of the most effective methods for treating a lot of different problems. Those who are suffering from depression, mood disorders, and even sleep-related issues can benefit immensely from it. This method is mostly free of all kinds of side effects. It can be carried out even at home with the right kind of guidance. This book encompasses all the different details you need to know regarding light therapy. We have covered a substantial portion in this book because we aim to help you get a clear and thorough idea of how light therapy is going to be the science that will help you sort out the troubles.

in Books > Health, Fitness & Dieting > Diseases & Physical Ailments > Immune Systems #1469

in Books > Audible Audiobooks > Science > Medicine

Customer Reviews

Very poorly written. Please check it out. It avoided saying anything definite. and finished by recommending the reader consult a doctor. A BIG WASTE OF MONEY!!!!!!

I have learned a lot from this book. I learned from this book that we do not just need a sun's light but we also need other lights that can help our body.

if you are suffering from any type of social disorder, try using a light therapy. I was suffering from very harsh social anxiety disorder and one of my friend bought me this book so I could cure my disorder. Thanks to this book I was able to decrease my symptom dramatically. Try it out unlike any medication this does not have any side effects. Recommended

Gives precise understanding of light therapy, Pros and cons-points out need for professional advisement before commencing use. Would highly recommend.

Well-written and organized paperback on depression and disorders, which affects millions of people. Excellent and logical theory on depression. Any person wanting to live a healthy life needs to read this book.

While the author had to generalize the subject, I appreciated the time and effort to get the information out to those who need it. Thank you!

Information is minimal. Could have found more info from a web search. Shame on me for buying! No stars.

Fast and efficient read
