## Customer Reviews

Marc Brown is the creator of Arthur, who has been featured in more than 30 books, and who is the star of a #1 ranked daily television show on PBS. He lives on Martha's Vineyard, Massachusetts.

This book was given as a gift to a child participating in the Summer Reading Program at the Nocona Public Library, Nocona, Texas. The boy receiving it loves Arthur, he was so pleased with the book.

My 2 year old daughter has already memorized it. We didn't mind reading it to her over and over and over and....

Though the sentences could be simpler for younger readers, my class enjoyed Arthur's romp through famous sites in NYC.

this book was suggested for my daughters summer reading list. we are planning a trip to New York, so what better way to introduce it to her...well, it is an easy read but she read it very quickly, not very challenging for a seven year old

My son loves this book and is excited to visit his cousins in NY! The stickers are great too!

great

Great story.

Great read for a first grader
