"Bible KidVentures: Stories of Danger and Courage" is a fast-paced choose-your-own adventure book that will be a fun gift for a young reader. The four stories incorporate Moses, Rahab, neighboring armies, and Stephen and yet the adventures are written from your perspective as you make decisions and see if your choices led to safety or death. Because of the perils that do overcome the reader for poor decision making (and not everything is blatantly wrong), I would be selective on who's hands got this book. The only downside is that even though the book is over 300 pages, it doesn't take much time to read through the stories, mostly because each story has so many possible outcomes. It was fun for my family to re-read part and see how another choice would have led to another ending. Overall, this is a fun way to approach discussing morals and following God's directives while also giving some fun insight into being a youth during these tumultuous biblical times!
