I bought this for a friend for a gift and she loved it! She needed a small pocket sized item to put in her carry on bag for airplane flights to help distract her from being nervous. This is the perfect size

and has little puzzles that help keep her mind busy on her favorite topic, which is cats!! This has little quizzes, puzzles and mazes for cat lovers packed in a small travel size book. This is perfect for any cat lover!

I spotted this book while browsing around for books with a variety of puzzles. Decided to give it a try, and very glad I did. The puzzles are varied, yet all relate some way or another to cats. I often found myself checking things online to learn more about the terms which were puzzle answers. Small size, convenient to take anywhere. Nice elastic ribbon to hold your place and your pencil. Highly recommend this for any cat lover!

It really is pocket sized, but it's cute!

This was a fun little puzzle book. Small enough to carry with you and addictive. I never wanted to put it down. Also learned some interesting facts and myths about cats. When is the next cat puzzle book due?

Love this little book. It's perfect for passing the time at work. A great book to have around for any down time.

I just started this puzzle book as I leave the small pocket size for traveling and office appointments that I have to wait on being called They really do help the time go and no large book to haul around plus sturdy enough to write in the book love them

Bought as a gift and the recipient loved it!

Just great!
