The New Thanksgiving Table: An American Celebration Of Family, Friends, And Food

Synopsis

Thanksgiving is the favorite holiday of millions of Americans. And with so many diverse regions across the United States, it's no surprise to find that the Thanksgiving menu changes significantly from New England to the Pacific Northwest. This is the quintessential cookbook for our national day of thanks, capturing this diversity with creative recipes for the perfect dinner and providing the key to a stress-free occasion with author Diane Morgan's indispensable do-ahead tips. Including appetizers, soups, salads, main courses, stuffings, casseroles, biscuits, side dishes, desserts, and even leftovers, it contains everything the busy cook needs to celebrate this most festive and food-centered of holidays!

Customer Reviews

Diane Morgan is an award-winning cooking teacher, cookbook author, and freelance food writer. She lives in Portland, Oregon. Leigh Beisch is a San Francisco-based photographer.

Love this book! This is my second copy as the first one was damaged and I can't get along without it. Use it every Thanksgiving.

Excellent pictures and easy to follow recipes.

There are some very good recipes in this book.

This is such a well organized, book. The pictures makes you want to run out and get the ingredients and start them all. I have tried several of the recipes and have not been disappointed

It does have a good description for carving a turkey. Don't know if would but it again. One two three

The recipes were easy to follow, I have since even recommended recipes to my daughter. It refreshing to read something that gets to the point.

Great ideas and easy to follow recipes. Fun holiday reading for cookbook lovers. New ideas to share with family and friends.

I have the first printing of this book and was happy to find that this edition contains so many new recipes and ideas. Every recipe I have tried from either edition is easy and comes out great.
