What a gorgeous book. Love, love, love all the unique mandalas. They are printed clearly and on one side only. I will definitely be watching for this talented young artist's next book. MandaMandal

Beautiful mandalas with very thick, dark lines so coloring with marker or pencil is very easy to do. Very creative pictures on one-sided pages.

Love Mae Kleins art! I have her fathers entire collection, this is a talented family. I can't wait to see more from Mae! I got the book version. Excellent quality pages and I love the cover! My collection is beautiful thanks to them. I can't wait to see what Mae does next!

This book is AMAZING!!! filled with lots of beautiful images. Such young artist with a wonderful imagination. I love this book since day one, I can't put it down! Thank you Mae Klein for all the joy you're bringing me with your book. Emily G.

This is an excellent book of very unique and cool mandalas by an extremely talented young lady. Please purchase this if you love to color. It is an excellent addition to ones collection something for everyone.

I love this book. Everything about it is wonderful. The Mandalas are unique and drawn beautifully. Well done Miss Mae. I'll enjoy each moment of coloring.

Mae is definitely going places, seeing as how this is her first book, and it's amazing! I've already gotten halfway through my first picture, and I'm in love. Not too many details, easy to choose colors for the pictures she's included, and there's a nice variety to choose from. I will definitely be following her, same as I have her dad since I heard about him. Well done, Mae!

WOW!!! This is a fantastic book of art for coloring. The designs are simply top notch and so professional. Can't wait for the next book to come out.
