Customer Reviews

This book is great, it takes the reader through a journey that gives an inside look at what a person with this disease goes through. If you don't know anyone with this disease you can still empathize with someone who does after reading this book.

Excellent information on how to live, battle and overcome a life with lupus! Monic, Thank you for helping others to see the light of how to Keep up the Fight! Well written and a quick, informative read! We have been waiting for this book! Bruce

We regret to hear about the loss of your best friend, who did not have access to this encouraging, mind transforming information. Every possible effect of this Incurable Disease explained in detail as well as how you beat it. Caregiver or patient, it has earned its place in our library.... LUPUS 911. A must read. We thank you Monica Arnsby, CM.

awesome book for someone who has lupus...it will truly uplift you and give you hope!

Well written and very helpful since I have lupus. However, it was poorly edited. Lots of mistakes.

A Blessing of sharing from the author heart, I feel many readers will appreciate

Love this book. Awesome information and lots of helpful advice.

This was an exceptional read!
