How To Raise Rabbits: Everything You Need To Know (FFA)

Synopsis

Rabbits are wonderful animals to raise, whether as pets or as livestock on a farm. They are especially great as starter animals for children who participate in 4-H or other rabbit shows. Before you embark on owning one of these lovable critters, there's a lot you need to know; for instance, which of the forty-seven rabbit breeds is best for you? Backed by the National FFA Organization, our acclaimed series of How to Raise guides has helped countless first-time animal owners across the United States confidently care for their new companions. In this freshly updated second edition of How to Raise Rabbits, you'll find practical advice for raising any number of rabbits in any environment--rural or urban, one rabbit or twenty. Brother-sister writing duo and 4-H alumni Daniel and Samantha Johnson expertly walk you through all the basics on breed types, housing and food requirements, shows, kit care, and general healthcare for the rabbit. With clear and informative instructions, fully illustrated with beautiful how-to photography, How to Raise Rabbits continues to be an essential primer for the newcomer to rabbit care and a classic on any rabbit lover's bookshelf.

Customer Reviews

Whether your goal is to raise one rabbit or a large herd, you'll find out everything you need to know from How to Raise Rabbits. This hands-on guidebook explains in detail how to take care of your fluffy friends, from nurturing tiny kits to showing blue-ribbon adults. How to Raise Rabbits illustrates all aspects of rabbit ownership with more than 200 color photographs. With this book,

youâ™ll be able to:

- *Choose and buy the right rabbits for you
- *House and feed rabbits
- *Manage your rabbits and keep them healthy
- *Breed your rabbits
- *Raise and care for kits
- *Show rabbits at fairs and club meets

Â Since 1928, the National FFA Organizationâ”formerly known as Future Farmers of Americaâ”has been dedicated to agricultural education. Today, there are more than 500,000 members in 7,358 chapters in 50 states, as well as 5 million alumni.Â

About the authors: Samantha Johnson and Daniel Johnson have collaborated on several rural-living guidebooks, including The Field Guide to Horses and The Beginnerâ™s Guide to Vegetable Gardening. Both are 4-H alumni and live on the family farm, Fox Hill Farm, in far northern Wisconsin. Samantha is a certified horse show judge and raises purebred Welsh Mountain ponies and Dutch, Holland Lop, and Netherland Dwarf rabbits. Daniel is a professional photographer whose work can be seen at www.foxhillphoto.com.

Samantha Johnson has been raising rabbits since she was 11 years old. A freelance writer who is a certified horse judge and works on the family horse breeding farm, Samantha wrote the books The Field Guide to Rabbits and How To Raise Horses. Daniel Johnson is a professional photographer who specializes in imagery of farm life. He is the author of the 4-H Guide to Digital Photography and the coauthor of The Field Guide to Horses. He lives on a family-owned horse farm in Phelps, Wisconsin, called Fox Hill Farm (www.foxhillphoto.com).

Granddaughters just got a bunny. Thought this would help their family.

This book has everything you need to know to raise 1 or many rabbits. I am new to bunnies but this gave me tons of insight on the right way to do things. My mini rex, Zoe, is happy and healthy.

Very informational yet easy to understand. I love this book for my girls who are learning to care for bunnies.

If you are going to breed and raise rabbits, it would be an excellent book. However, if you only have a pet rabbit there is very little in here for you.

Great information for anyone looking at 4H rabbit raising

Useful and informative on raising rabbits.
