# How To Win The Lottery With The Law Of Attraction: Four Lottery Winners Share Their Manifestation Techniques

## **Synopsis**

How to Win the Lottery with the Law of Attraction was written by Law of Attraction lottery winner, teacher and author Eddie Coronado. Based on interviews with actual winners who have used the Law of Attraction to win lottery prizes, this audiobook provides the metaphysical tools and insights that are necessary to win lottery and contest prizes through the creative power of thoughts and feelings. Although this audiobook contains the manifestation techniques of people who have won money, these metaphysical exercises can be used to attract the perfect mate, a new career, financial success, or anything that you can make a part of your beliefs and feelings. There is no limit to how much money and success you can manifest through the Law of Attraction because this immense spiritual power does not have an opinion about what you should or should not have. You can use the Law of Attraction to manifest 10 cents or 10 million dollars. The determining factor is belief and expectancy, which can be harnessed by using the spiritual tools discussed in this audiobook.
