Just what I expected from the description. I wanted all the music that I love from that movie and there is the added bonus of pictures also.

This score has the music in the right key with the intro dialogues. A great addition to my music library.

Son was thrilled with his gift

This is an excellent tool for use in my up and coming production of the King & I. The time frame in which it was sent was excellent. Very happy with my purchase

A beautiful folio edition for a Musical Theatre masterpiece. The photos from the definitive 1996 Broadway revival are stunning and ravishing.

I should have looked at the score before buying. I was hoping there would be some nice lyrical solo songs that are not in the style of Gilbert and Sullivan patter songs. I was sadly disappointed to find there are no songs for men that are not patter songs and are lyrical. Moral of the story: Look before you leap!
