Beyonce (Hip-Hop Biographies)

Synopsis

There's no doubt about it, today's students listen to an average of 2.5 hours of music every day. Guess what they are listening to? Hip-hop is mainstream, continually topping Billboard's Hot 100 charts. These hi-lo biographies engage striving readers from the very beginning with blinged-out covers, stunning four-color photographs, modern and graphic page design, and high-interest informational text. Biographies highlight the unique characteristics of each mega-rapper, including childhood struggles, personal style, rivalries, giving back, and more. Each 48-page paperback book includes a timeline and glossary, with vocabulary words highlighted throughout.

Customer Reviews

It's a good book, however it's time for a revision. There's much that happened in her life since 2015.
