Golf Shots: How To Easily Hit A Wide Variety Of Shots Like Stingers, Flop Shots, Wet Sand Shots, And Many More For Better Scoring

Synopsis

Why is this golf book different? It's a complete book teaching you how to simply do a variety of golf shots to score better. It expands your shot making abilities. There are no pictures on scorecards and you don't have to hit a glamorous, show boat, ultra-high, and perfect iron shot to get close to the pin. There are lots of other shots that will get you closer to the pin that most golfers are aware of. The book teaches you how to do a variety of shots in these playing situations: Shots Off the Tee Approach Shots Short Game Shots. You'll learn simple techniques on how to hit: Stingers Driver off the Deck Drawing the Ball Power Fading the Ball and many more. You'll learn fairway shots: Shots off undulating fairways Side Hill Shots Downhill Shots Uphill Shots Cut Shots Deliberately hooking and slicing shots, and many more. You'll learn various short game shots: Bank Shots Flop Shots Drop Shots Fringe Shots, and many more. These aren't complicated shots. Golfers who have more ways to get the ball into the fairway or closer to the intended target, or closer to the pin by using different shots, score better than other golfers. You won't have to learn complicated new routines. The descriptions of more than 30 different golf shots are clear and to the point. Put this book on your Phone or Tablet, or, put it in your bag, or take it to the range to practice the variety of golf shots featured in this book. BONUS: Drills teaching you to learn these shots are included. You will become a better and faster player with better scoring rounds. SCROLL UP and check out the table of contents to see all the different shots you will learn, and begin your journey on having a wide variety of shots to use and score better! Praises received: "This book helped me score better, and it's easier now to get the ball from Point A to Point B. Learned a lot! Love the jokes too!" - D. Higgins, Phoenix "An excellent "How to Book". It's to the point and not complicated. And, entertaining! It makes the practice range more fun practicing these shots." - J. Dennis, San Diego "Liked the drills, jokes, and quotes. I've now got these shots in my game. I play faster, my scoring has improved. Makes range practice interesting rather than busting shots with the driver. Thanks!" - S. Redmond, Naples, FL "After reading about the various shots, I understand the whole game better now. I didn't notice the quiet subtleties of better scoring very well until I read this book giving me a wide variety of shots. They weren't hard." - F. Davis, Sarasota, FL

We developed this book to give you an option to quietly and quickly learn shots to give you more choices on how to get the ball close to the pin. Put the book on your phone or keep it in your golf bag to develop these shots on the range and to make range practice more interesting and fun. It adds newness to your game and we think this book will knock 3-5 strokes off your game on

the average. We hope you enjoy it!
