## Customer Reviews

An unparalleled book on the law, practice and theory of international commercial arbitration, indispensable for both practitioners and academics. --Professor Jack L. Goldsmith III, Harvard Law School  
Stunningly comprehensive, accessible, and bristling with insights: the definitive text on international arbitration. --Professor Harold Hongju Koh, Yale Law School  
A monumental work of legal scholarship. --Professor Campbell McLachlan, Victoria University of Wellington

The contents were good. But the character was too small to read.

Brilliant book, but the characters are too small, that makes it very hard to read. I won't mind paying more for better quality edition.
