With more than 130 million products in print, Max Lucado is America's bestselling inspirational author. He serves the Oak Hills Church in San Antonio, Texas, where he lives with his wife, Denalyn, and their mischievous mutt, Andy.

If you ever wondered how to pray to God, here's where to look for the answer. We don't really need to use all those "fancy words" to reach the Heavenly Father, 'cause your own simple ones will reach HIM just fine. I loved the idea of "simplicity" in just talking to God. This is a wonderful little book . . . to use again and again.

The verses of the bible were brought to life in a descriptive and tangible way making verses that I have read before resonate even deeper in my heart. Questions and statements that put a finger on the tender areas I usually hide from others made this book a loving reminder that even in all my

mess I am loved. With the way the bible was brought to life it made the stories and concepts easier to share with my teenage daughter and I completely appreciated that. I gave it a 5 because of content, accessibility, challenge and because of the authors ability to bridge the bible and today's world together.

Max Lucado gives awesome insight into God and spirituality. His books give new outlooks on many spiritual questions we all have without giving a sermon. He's positive, accepts that life is about making mistakes in life and how ALL those seemingly bad choices make us richer more spiritual people who will always be loved by God.

I like that each prayer is preceded by scripture. I'm typically not much for reading prayers, but the prayers in this book prompt me to pray, expanding on the written prayers. This book has been a source of encouragement.

And am not sure how to begin because my mind is racing with life issues or feelings of unworthiness, these simple steps bring me to a place where my focus shifts in the right direction and it begins with God You are great ... I need you ... From there it just flows.

excellent... I wish Mr. Lucado would do another set of them... Amazing how they always apply to the day you are going to have or have had... I am on my second round of reading one a day.... I would sure buy another book of them if he ever puts one out..

I ordered this little book of prayers to accompany Max Lucado's book Before Amen. I struggle with impromptu prayers, so I thought this book might offer some thoughtful prayers for everyday use. It's just excellent! The prayers have been written to follow Lucado's "pocket prayer" plan: easy to say, heartfelt, and customizable. The order arrived in no time at all, and I'm very glad I ordered it with the hardback book.

A wonderful way to start the day by reading this series of scriptures and the stories written to accompany each one. A way to start your own daily walk with God through prayer and meditation. These 40 simple steps to getting ready for a relationship with the Lord through prayer is Amazing. I enjoyed this book very much and would recommend it to anyone who wants to expedience that beautiful relationship with the Lord.
