The Little Book Of Backgammon Tips (Little Books Of Tips)

Synopsis

This guide shows how a simple understanding of the dice-throw can improve your every move. There's advice on opening throws, how (and when) to block and run, hitting and being hit, bearing off, back games, using the doubling cube, and lots more. You're odds-on to double and redouble your success with this Little Book on board.

Customer Reviews

Chris Jones is an accomplished backgammon player who has been enjoying the game for more than 30 years.

This book is very basic, but helpful for a novice like me. It gives several quick tips to help getting started in the game. I quickly found it useful. It is not for people with much experience in the game.

I was sorry I made the purchase when I read it. The information is lacking. Save your money for a quality product.
