## Customer Reviews

Stephen M. Miller's reliable, jargon-free Complete Guide to the Bible is for average people who want to better understand all of God's Word. The 375,000-copy bestseller explaining the most important passages of the Bible is now available with value-add, 16-page map section.

Interesting to read and easy to consult, The Complete Guide to the Bible is a reliable, jargon-free handbook for average people who want to better understand the entire Bible. Captivating writing along with beautifully designed and illustrated pages entice readers into the book and keep them lingering throughout its 512 pages. --This text refers to the Paperback edition.

This is my second copy of this book. I left my first on my porch (had been reading there) & it was ruined after rain. Glad to find it on to replace! This is a great accompaniment to the Bible. I love the background info of biblical culture, geography, history, etc when I'm reading the Bible. I've had other

commentaries in the past but find this one easy to read, enjoyable to read.

This is a wonderful source for background information about the BIBLE books. Somehow, I wish it would delve a little deeper.

A good read, explains the Bible to readers from beginner to serious student, maps and illustrations also very good

I needed to help with certain books in the Bible and I saw this in CVS but knew I would get a better deal on . So far so good, I'm learning more about the Bible because this along with re-reading and studying the Bible brings me closer to God and Jesus. If you know anyone interested in learning God ways but are having problems (most of us fall into this category) this is a good start.

My friend loved the Guide so much, she asked for my copy and asked me to buy another one. I couldn't find it at the nearest Bible Store, so it was suggested that I try and there it was. Thanks,

Excellent book. Easy to read and understand. Gives an outstanding review of every Bible book.

I have bought several books to give out because I love this book so much. The explanations are engaging and keeps your interest as you learn about what is going on in the books of the Bible.

I really like this book. The chapters are much easier to read and they explain it in a clear concise manner. It really helps you to understand the Bible much better.
