Customer Reviews

International Travel Maps & Books maps countries and regions of the world that have traditionally been overlooked by the mapping industry, as well as destinations of interest to business travelers and vacationers wanting to explore. One of our specialties is Latin America, but we also have more than 60 titles published on Europe, have more maps published on Africa than any other cartographic house, and are rapidly expanding our titles on North America. Aside from cartographic and map publishing, we also have a retail outlet in Richmond, BC, and are the licensed retailer for the Federal Government's topographic maps of Canada. We carry a large line of globes (illuminated globes also) for sale within Canada, and thousands of maps and travel guides, including Borch, Gizi, National Geographic, Freytag & Berndt, Nelles, Ordnance Survey, IGN, and many more. These are supplied to retailers all over North America, and can be ordered on-line from our web store.
