I used this as an introductory guide to the region's sights and places to stay and dine, and I have come back to it for more. It breaks the region down in units that makes sense, and gives good

qualitative summaries on overall towns and places as well as stopping points to eat, shop, and do. For really taking in the natural surroundings, though, you needÂ AMC's Best Day Hikes in the Catskills and Hudson Valley, 2nd: Four-Season Guide to 60 of the Best Trails from the Hudson Highlands to Albany.
