<http://www..com/dp/B018KIC0LU>____UPDATE: The 2015 guide is now available in electronic format.

You can purchase it at the link below:<http://www..com/dp/B00QE9C2C0>____The 2014 guide is also available in electronic format. You can purchase it at the link

below:<http://www..com/dp/B00IEFPRO2>The must have guide to living and traveling in Romania.

Written by both expats and locals - packed with practical information on living, working and traveling in Romania. The guide includes a detailed breakdown of the capital Bucharest, with everything from hotels, bars and restaurants to legal and medical services. Everything visitors need to know about how to get by and get on in Romania's vibrant capital. Outside Bucharest, there are plenty of hints on where to go and how to get to some of Romania's fantastically rich cultural and natural heritage. From beautifully preserved Medieval cities to Europe's wildest virgin forest and mountain landscapes, along with villages where a traditional way of life still exists.

Customer Reviews

...but very helpful. The book's aimed at those "ex-pats" who will be living in Romania long term, either to pursue personal employment interests or because their companies have assigned them

there. There's a lot of really useful information to help you through the culture shock period, and a great deal of practical advice on how to interact with local commercial and government entities. For vacationers and casual readers, there's also extensive restaurant and cultural attraction lists, a sector by sector market guide, and an excellent guide to the workings of Bucharest's mass transit system. The most practical guide I've run across.
