Customer Reviews

This book is outdated (1996) and doesn't have the correct updated Mass text and responses (as of 2012.) This is useless if you want your child to be able to say the accurate responses and follow along in Mass. Very disappointed! I also ordered a "Used-Good" copy and the book is in very poor condition and has a \$0.99 price tag on it (I paid \$4.) This is going in the trash!
