The Kolbrin Bible: 21st Century Master Edition

Synopsis

The Kolbrin Bible dates back 3,600 years and offers unique and enlightened insights from the past to both challenge and affirm our present day beliefs. This 2-part, 11-book secular anthology is nearly as large as the King James Bible. The first six books are called the "Egyptian texts" and were penned by Egyptian academicians following the Hebrew Exodus. The last five books are called the "Celtic texts" and were penned by Celtic priests following the death of Jesus. Several accounts describe an object in orbit around our sun called the "Destroyer," which the Celtic authors call the "Frightener." According to recently translated Sumerian texts, this object (also known as Nibiru or Planet X) is in a 3600-year orbit around our sun, and The Kolbrin Bible warns us of its imminent return and of yet another Biblical tribulation. PART 1: The Egyptian Texts (Books 1-6) DESCRIPTION: Following Pharaoh's defeat at the hand of Moses, the Egyptians searched the Middle East for clues to the one true G-d of Abraham. Penned by Celtic priests in the first millennium CE, it includes a never-before published biographical sketch of Jesus Christ with several first-person quotes by Jesus, himself.
