Customer Reviews

We were disappointed that there are no Christmas carols in the book - only commercial-type songs like Frosty the Snowman. Also, most of the songs use notes that are too low for our son to play (he is an 8th grader in his fourth year of playing). We are returning it.

Great song options, my son loves it

a gift to my brother , If you have only one product, this is the one to have great . Very well. good product with high quality.
