## **Customer Reviews**

Needed this for lessons. Book arrived in perfect shape and is being put to good use. Purchased the CD separately.

Listen daily

I love this book. It starts right out with interesting songs to play, and gets progressively more difficult. I've only been playing for three months and I'm already almost halfway through the book. It does help to have a fabulous teacher as well.

Why does the customer review say this is a "great book" when the product I am looking at is

supposed to be a CD?
