Milo & Ze: A Bull Terrier Puppy Adventure

Synopsis

THE BEST SELLING BULL TERRIER BOOK IN THE WORLD! Join Milo, the long forgotten Bull Terrier, as he travels the world in search of nothing more than a friend he can call his own. Milo & Ze is the eagerly-awaited second illustrated children's picture Bull Terrier dog book for kids by Mark Watson and Pablo Michau, authors of the bestselling, "The Shark in the Park". Milo & Ze makes the perfect Bull Terrier gift for kids, dog lovers and bully fans alike. "Milo is a cute bull terrier puppy who has been forgotten, locked in a kennel, until one night a blinding light comes out of the night sky and smashes his kennel creating a crater that the bull terrier braves his way to peer into and hears a mole who asks his name and the little bull terrier discovers a fallen star: 'Never again need you wish for a friend, he waits for you at your journey's end.' And off our bull terrier puppy goes on a journey, sees a truck, meets Big the Pig who invites him to his yacht which turns out to be a leaky barge but bull terrier Milo jumps ship and ultimately comes ashore to see Big the Pig safe and free. Milo meets a pelican who gives him a ride. The next ride is on a camel but a sandstorm hits, covers the little bull terrier, but he is discovered by an elephant who helps him on his journey. But more adventures arise - a tiger, a mountain goat, a cavern and finally, the little bull terrier puppy arrives at the door where lives an Indian lad by the name of Ze: Milo finally has a friend of his own. Enchanting rhyming verse, exquisite illustrations and a heartwarming adventure that simply is restorative and makes the reader feel good. Searching for friends - a great goal and a wonderful destination. Highly recommended for children and art loving adults." Grady Harp, January 15

"Brilliant book about a little, lonely, bull terrier puppy dog, looking for a friend. Guided by a fallen star and written in exquisite rhyming verse, this is a book that will become a classic with children, adults and especially dog and bull terrier lovers around the world. Amazing illustrations from the talented Pablo Michau and great poetry from Mark Watson." "Milo and Ze: A Tale of Friendship by Mark Watson is the story of an adorable pet, Milo, who finally escapes from his kennel when it is broken into pieces. He looks into the crater and sees a fallen star. The star tells Milo that it has come to help him as it watched him while he was dreaming. The star tells Milo that he will meet a friend at his journey's end. And off they go on a journey across the bridge,

through towns and onto the roads. Milo sees many new things on his journey and meets a lot of new people, until he finally meets up with a little boy, Ze. The book conveys a good message of enduring hardships in life to reach one's goal and emerge a winner. I enjoyed the story for its beautiful concept. The illustrations are bright and colorful and they add life and color to the characters and scenes. The book will make a good bedtime story and it is also perfect to use for read aloud sessions in school libraries and classrooms. The concept and the message conveyed through the story are very helpful in teaching kids how to look at life and handle the challenges they face in life. The book teaches young readers new things and ideas, and helps improve their vocabulary. The story is emotional and touches the hearts of readers. Milo finally finding his home is an emotional as well as a joyful moment. Reviewed by Mamta Madhavan for Readers' Favorite

Milo and Ze is an exciting story of a forgotten puppy's long journey to meet the boy he is destined to be with. Milo makes friendships along the way, even with the most unlikely creatures. This is a brilliantly illustrated story and has been a great addition to my daughter's collection. After reading it with my 3 year old, I asked her what she thought and her review was... "can we read it again?!"

Milo is an bull terrier who has been virtually abandoned by his human owners. One night a blinding light from the sky shatters his doghouse and leaves a gaping crater. A falling star urges him to follow it on a one week's journey, after which Milo will find his true friend Ze. What an adventure! Milo meets all sorts of animals and even a monster on a trip that ventures over the seas, up into the skies and across the desert. Milo's faith and resistance to all manners of peril allow him to survive and find his true friend, at last! The illustrations of Pablo Michau and the crisp rhymes draw readers into the adventure. Targeted for preschoolers and primary grade children, this book is a good choice for a bedtime story or as a child's beginning read aloud. Fosters the values of friendship and persistence. Highly recommended.

I liked the very much of the journey of a Milo and Ze, a very sweet and joyful ending of a long journey for Milo. Such super pictures too sure to make young young kids very happy who loves to either read it by themselves or have an older person to read it for them at bedtime. This too needs five stars for such a touching,tender story. I received this ebook for free and now in return for it, here is my honest review. Very good job Mark! By Angela

I downloaded this free book for my nightly reading with my nephew. I am somewhat amused that nearly all children's books rhyme these days, this one included.Milo is a lonely pup whose wish is granted by a falling star; if he follows the star he will meet someone who will be his best friend.Along the way Milo meets several animals who help him reach his destination. I love that this book teaches children how to work together to help each other out.

This was a beautiful written children's story by Mark Watson accompanied by the unsurpassed illustrations of Pablo Michau rarely found in any book either children's or adults. This is a story that both young and old will enjoy time and time again. Milo is a forgotten pet forsaken by his owners in the backyard. Milo's dream of finding a friend seems to be a forsaken task until one night when a ball of blinding light smashes into his kennel. Milo is freed from the backyard and meets many interesting and unique characters on his remarkable trek to find his friend. I highly recommend this book as it's destined to take its place among the classics in children literature.

This is one cute book. The pictures are wonderful and the story line hits you right at your heart.Milo is a little bull terrier puppy who is looking for an owner--someone who would love him and take care of him. He goes through all sorts a adventures to find that one special person. A great little story.

Milo & Ze: A Bull Terrier Puppy Adventure by Mark Watson, Pablo Michau (Illustrator) is an adorable tale of an unwanted terrier puppy that follows a star to a new home. It has the cutest pictures and a sweet tale. Very nice. Loved it!

I loved this book! Milo leaves his home in search of a new life. He meets many friends along the way. He searches for an owner and isn't disappointed! I would recommend this book for young readers or as a classroom read aloud.
