"Crusoe, a 5-year-old miniature dachshund, has made a name for himself with his award-winning

blog. Now his wit, wisdom and undeniable charm are on display in print form. There are even recipes, and the photo of Crusoe in his chef's hat alone may be worth the price of the book."â•Chicago TribuneâœThere's a new celebrity chef on the scene and he's got a paw up on the competition.â•Huffington PostâœToo cute for words.â•Food Networkâœelf cuteness is a crime, [this dog is] guilty.â•MashableâœAll in all, he crushes life.â•BuzzfeedâœAre we a little obsessed with him? Absolutely love this book. Great format and entertaining and wonderful stories. If you love the dachshund breed you're gonna fall in love with Crusoe and his book. Worth every single penny! Highly recommend. Love how they broke it up into Seasons. Pictures and stories are truly amazing!

This is a hoot! I love the blog and the book does not disappoint.

Outstanding book met all expectations. Fair price and fast delivery. Will make an excellent Christmas gift for my Dachshund loving wife..

I love reading Crusoe's blog on Facebook, so treated myself to this book. I was expecting it to be just a few pages, but it's a nice, thick, quality mini-coffee table book. Even has some recipes included. You won't be sorry you bought this - especially if you enjoy Crusoe's blog or have dachshunds.

What a way to start a Monday . . . Crusoe is here! Crusoe is here! I anticipated loving the book from

the time I heard it was being offered - but I had NO IDEA it would be this dynamic! If you order it you already love Crusoe - but the time, effort and complete self confidence that went into this 232 page EPIC (adj :very imposing or impressive; surpassing the ordinary, especially in size or scale) is amazing. Crusoe walks the walk and talks the talk. You really need to read what he has to show and say. When is the next book coming out?

Who could resist this cute wiener dog ? I fell in love with Crusoe when I first saw some of his videos on Facebook. Then I got a calendar with each month a different Crusoe picture. Now, a BOOK!!! This book is hilarious, with the different things Crusoe gets to do. If you are a Crusoe lover, get this book !! I understand a second one is coming out. Of course, will be getting that one too !

This book is almost as entertaining as following Crusoe on Facebook and his blog/videos! We love it and hope to see a sequel in the works soon! Great job, Crusoe's dad and mum! You guys are so creative!

I preordered the book from and it did not disappoint me. I was extremely happy that the book told a story about Crusoe's exciting expeditions and that it was not just a picture book. The stories are funny and engaging and the stories want to make you go to the next chapter and continuing laughing out loud. The towel bar repair chapter is so funny since I have had to repair many over time. Congrats to Ryan and Mum for bringing Crusoe to all of us. The book is a Great Holiday gift giving for the family!!! and not just for pet lovers! F.L. Atl
