I believe morning prayers are the most effecting in my life, though unfortunately I don't

always find the time for morning prayers. But I always try my best. Prayers are a major part of Christian life and this is how we connect with God. Saying prayers early in the morning really does energize the whole day; for me it actually gives me a very inner spiritual calmness. These morning prayers cleanse my mind of all these clutter and I focus on unburdening and humbling myself to GOD; because for a majority of people at the start of the morning what is in their minds are all the work, troubles and problems ahead or of the previous day. These prayers here have a pattern and in the second paragraph, I confess my sins and weakness. This is what calms my mind and relieves it in the presence of God.

Mornings are usually hard to start. Because you are all groggy and at times a bit tired from the other day's activities, but mornings are important because as they say, what mood you are when you woke up will be your mood the entire day and as a Roman Catholic, what sets up my mood is a prayer. I usually have a spontaneous prayer, just to thank Him for waking me up and hoping for a good day ahead, but when I saw this book I was interested. These prayer are all good, inspirational and indeed a way to start my day. Will definitely try these.

It's a good book to boost up yourself at the starting time of your new day. This book including 77 most powerful morning prayers would guide you gently to thank the God as well as pray for blessing. God's blessing are reserved for those whose heart is pure and this purity comes only through prayer. By praying we can gain happiness in worldly and spiritual life. I found this book very helpful to energize myself by praying to the God for helping me to be patient and gain energy to overcome all the problems.

I find guidance and insight through these books, the morning prayers book is a good way for me to start my day. What better way to start by praying and realizing that I can find my joy in the Lord no matter what my circumstances! Only in You will I find joy is such a lovely reminder that that He has limitless straighten and power to help me in what ever situation I am in. The book helps me to start the day with a positive and great message to take through the day.

The title for this book is literally perfect. The book is basically a compilation of morning prayers so that you kick start the day with a pure heart. The prayers are powerful indeed and after trying a few of them I did feel better. The best part about this book is the sheer number of prayers. If you pray regularly in the morning you would want to have different prayers and this book does it. Overall, I

highly recommend this book.

There are times I need to communicate with God but can't find the words to do so, I just don't know what to say. This book has really been an encouragement to me, thank you so much for giving me the help I needed. God bless you for a job well done.
