Beware Of Angels: Deceptions In The Last Days

Synopsis

Deceptions in the last days "I told God I would do anything for Him. But I never thought He would send an angel to tell me to destroy people. Firing those shots was the most difficult thing I had done to please Him." ?Sharon Lee Hatstead Sharon Lee was a devoted, fourth-generation Seventh-day Adventist. What horrifying events led her to become a killer for God? Roger Morneau reveals the tactics Satan used to entice members of her Bible study group into heresy, vandalism, robbery, and murder. Beware of Angels is a chilling demonstration of how Satan can deceive even those armed with the truth. Church leaders urged Roger Morneau to tell this story and use his unique understanding of the supernatural to help God?s people avoid the satanic deceptions that even now threaten to destroy them. Beware of Angels is shared with the hope that it will open the eyes of God?s commandment-keeping people before it is too late.

Good information for those who think that every angel is a holy angel. 2 Corinthians_11:14 And no marvel; for Satan himself is transformed into an angel of light. Isaiah 8:20 To the law and to the testimony: if they speak not according to this word, it is because there is no light in them

Roger J. Morneau is now my favorite author! His insight into the supernatural is life changing. If you ever wanted to know which side is stronger; good or evil, read his books! God wins in the end!

Interesting book about the dangers of the supernatural (dark side) and how the author escaped (Creator God's watchcare): Very moving and keeps one's attention.

Found it to be very interesting and informative.

Has been an eye opening, for my Christian life.

The package came promptly and was in the condition it was said to have. Wonderful book. Thank you

A real EYE OPENER into the world of Angels particularly evil angels. This man has lived in the world of evil angels and lived to tell about it! Fascinating, educational, and hard to put down.

I received my order in an acceptable amount of time. The book was in excellent condition and is a great read! I encourage Christians of every denomination and even non-Christians to read this book.
