Shipping Weight: 12 ounces

Average Customer Review: 3.7 out of 5 stars 2 customer reviews

Best Sellers Rank: #1,277,514 in Books (See Top 100 in Books) #36 in Books > Travel > Canada > Provinces > Nova Scotia #590 in Books > Travel > Canada > General #6135 in Books > Sports & Outdoors > Nature Travel > Adventure

Customer Reviews

This book covers a beautiful part of the world for hiking. While the verbal content is ok, the graphic content is very poor. The first problem is that there are too few maps, and those that are presented are not well done. Having good maps -- or even just ADEQUATE maps -- would have greatly improved this book. The second significant problem is that while there are many illustrations, NONE of them are labeled...! I can hardly believe it, but it's true. While none of us really need to be told "this is a bald eagle", there are many illustrations of flowers and trees that would have real meaning if the species were identified. Too bad. So that leaves us with the actual written content of the book, which is good. Unfortunately that can not stand on its own.

PLANNING ON DOING THE CABOT TRAIL BY BICYCLE THIS SUMMER AND WANT TO KNOW ABOUT ALL THE SPECIAL STUFF AND PLACES. THIS BOOK FILLS THE BILL.
