By Jen Brewer, RD
with Amy Stucky

Synopsis

The Chocolate Chip became famous for its ability to stand firm against the heat of the oven. Be the Chocolate Chip helps to bring to life the qualities that help us as followers of Christ and members of the Church of Jesus Christ of Latter Day Saints stand strong and firm in a world of ever-increasing heat. Jen and Amy outline four steps that we can follow each and every day to stay firm and strong, and to be the chocolate chips in the cookies of life.

Customer Reviews

This is officially my favorite book, it has so many relatable analogies, and really breaks things down for everyone to understand "how to be the chocolate chip". I recommend this to everyone it is a short story so a perfect book to read to the kids for a bed time story. Or read to your kids while making homemade chocolate chips so they can understand physically and mentally what the book is explaining.

This book works great for the first lesson in September for come follow me. How to be in the world, but not of the world. I wish I had a book for all the girls. Quick read

I bought this looking for an idea for a relief society activity and found this fits perfectly for all those looking for encouragement in strengthening their testimony and resolve for the gospel. Quick read but jam packed with great advice. Can't wait to turn this into a full blown activity.

I love the message delivered in this quick to read book. I used it as a topic for YSA/FHE and they loved it. Or, maybe they just loved the chocolate chip cookies we made to go along with the lesson. Hmmm.

The analogy was fantastic and well written. Made for a great family lesson. It was short enough to read the entire thing with the family while the chocolate chip cookies baked.

I loved this book! It had so many wonderful lessons, for youth and adults alike. Must be read over and over again!

I love the analogy with the chocolate chip! I'm using this idea and the outline if the book as my lesson in young women's tomorrow on Being Converted.

cute book that helps us remember to stand out in the world!
