these emanual law outlines are super

Not updated and a very simplified version. Unlike the other Emanuel, this book just provides you with a very global guidance as to what the family law is all about. I think this book is a waste of money.P.S. I got back and corrected my two-star review to a one star. I don't think anymore that this book is a waste of money. I know it.

I bought this for my husband and he said it was one of the best books he has read.

Great! Right price & fast delivery of an excellent book!

Great Outline! The Emanuel outlines have helped me a lot in learning and preparing for exams.
