Customer Reviews

Good textbook, glad we got it. Haven't had it too long, but they seem to like it.

Just in a perfect condition

Good

good

The book that they advertise is not the book that was sent. I sent the seller an e-mail indicating that they had sent the Handbook. The difference between the hand book and the book that is advertised which is the textbook is that the hand book is missing all of the practise excersices. They never responded.

This book was at a good price. it was also in good condition. We used this for our students at the academy I worked at and it was perfect.

More Blessings to you!!! AWESOME!!!

This item was received just as it was presented in the advertisement. I have no problems with this seller.
