Customer Reviews

The listings were current, effective Spring 2017, so helpful to my coworkers and visiting relatives and friends who sought out new and different places to dine in ATL.

Loved learning about some restaurants that we didn't know about....very helpful!

Good and informative

I cannot imagine dining out in the great metropolis without having this book beforehand. An accurate description of so many choices that will save any diner lots of money and cut down on any surprises. Malika is ethical, perhaps the areas top restaurant observer.

A fabulous book that covers all the amazing eateries in ATL. Not just the ones that take 2 hours to get in. A MUST HAVE for anyone in ATL or visiting
