Customer Reviews

this is a pretty good travel guide. its not as detailed as I wanted. It does not have a detailed map for each but it is very helpful

good book

Excellent travel book about the Turks & Caicos. Not sure if we are going there. We are trying to figure out which place has the best snorkeling. From what I've read about the Turks & Caicos it is one of the best places to snorkel in the Caribbean. Expensive to get there and hotels are expensive compared to other islands that offer snorkeling.
