Red Alert: An Nypd Red Mystery; Downloadable Audio

Synopsis

The richest of New York's rich gather at the Pierre's Cotillion Room to raise money for those less fortunate. The mayor-with Detectives Zach Jordan and Kylie MacDonald of the elite NYPD Red task force providing security--is on hand to applaud the Silver Bullet Foundation's new plan for public housing. A fatal blast rocks the room, stirring up horrifying memories of 9/11. Is the explosion an act of terrorism--or a homicide? A big-name female filmmaker is the next to die, in a desolate corner of New York City. Zach and Kylie investigate, and the intimate details of the director's life remind them of their own impossible situation--their personal relationship seems as unsolvable as the murders. The crimes keep escalating, and the perpetrators may be among the A-list New Yorkers NYPD Red was formed to protect. Their insane pursuit of ever-greater pleasures, indulgences, and thrills could be the catalyst of destruction on an unthinkable scale. Zach and Kylie track a shadowy killer as he masterfully plays out his vendetta-and threatens to take down NYPD Red in the bargain. --This text refers to the Hardcover edition.
