Cute and colorful with nice illustrations. Book is well-made and easy to read.

This book has something that starts with each letter, like a lot of alphabet books. But the usual suspects have been changed up - there are unicorns and vegetables instead of umbrellas and violins here! Lots of the items are pink, of course. My baby squeals over the bright colors - very cute.

Great gift for a baby shower. All of the Pinkalicious story books are perfect for little girls. The board book is excellent for babies and toddlers.

My little one love anything Pinkalicious and this was a great ABC book!
