## Customer Reviews

Another good book from Blockerella. Steve solves a mystery and learns new ways to use his talents.

Purchased for my niece. She loved it and even wrote a book report for school about it! Can't wait for Blockerella to write more stories.

Great book to read

One of the best minecraft books! Exciting and full of adventure. Very definitely worth the read.

I like this book because of all the adventure. I recommend this book to all Minecraft fans, and gave this rating because it is awesome.

Such a great Minecraft book! Blockerella is very in tuned to what Minecraft fans want to read, the kids really enjoyed this.
